- City and county governments held you personally responsible for code violations on your listings?
- You – as an affiliated broker or agent – had to pay hundreds of dollars per year for a local business license?

Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. You may refuse to contribute without reprisal and the National Association of REALTORS®, the Georgia Association of REALTORS® and the 400 North Association of REALTORS® will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by GARPAC to support state and local political candidates. Until GARPAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charged against your limits under 2 U.S.C. 441a; after GARPAC reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
